

The **Tooley Pond Mountain Trail Loop** is an easy, two-mile, family-friendly hike in New York's Grass River Wild Forest. With gentle elevation gain (~239 ft), the well-marked trail meanders through a mixed forest to a partly wooded summit, offering views of distant peaks and historical fire tower remnants.

Map created by Andy Arthur on 12/12/2025 in QGIS 3.44.5-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at [andyarthur.org](http://andyarthur.org).
