

Large Urban Counties
 are **gaining population**
 while rural counties are **losing**
population

Created 10/17/2021 by Andy Arthur in QGIS 3.20.

Data Source: 2020 and 2010 US Census

Hexagram created using Census TIGER/Line by using the "geogrid" library in "R" then exported to a GeoJSON. Find the "R" code at andyarthur.org.
