

Raecher Hill state Forest is an 832-acre property popular for hunting. Hiking is allowed throughout, though there are no designated trails. Two primitive campsites are available, marked with yellow "Camp Here" signs, one located off Raecher Hill Road and the other off the forest access road. Both sites are first-come, first-served.

Map created by Andy Arthur on 1/3/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
