

Jones Pond offers primitive campsites on its northeastern shore, available for free on a first-come basis. A rough service road provides access for smaller vehicles to the designated tent sites. Kayaking is a popular activity, with a hand launch near the entrance allowing easy access to the pond's calm waters. Paddlers can also use the Jones Pond Outlet to reach the larger Osgood Pond.

Map created by Andy Arthur on 10/27/2025 in QGIS 3.44.3-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
