

Union Falls Pond. Damed section of the Soranac River that is part of the Northern Forest Canoe Road. 'The lake is darkly stained by tannins which can increase your risk of paddling especially on the shallower end upstream from the dam. There is a drive-in campsite on the northern part of the lake by the dam off Union Falls Road.

Map created by Andy Arthur on 9/5/2025 in QGIS 3.44.2-Solothurn. Contains US Forest Service Base Map, NYS DEC data with additional campsites added by Andy. More maps at andyarthur.org.
