

Crane Pond Road is an unmaintained dirt track back to Crane Pond in Pharaoh Lake Wilderness. The road is often passable but rough for high ground clearance vehicles with the exception of the last 1/4 mile which depends on water levels on Alder Pond. Map created by Andy Arthur on 6/17/2025 in QGIS 3.34.15-Prizren. Contains US Forest Service Base Map, NYS DEC data with additional campsites added by Andy. More maps at andyarthur.org.
