

Spruce Mountain Firetower. A 2.5 mile hike along state land to a trail easement to the fire tower. The easement is discontinued from mid-October through early-December hunting season, so no public access during the late autumn to this tower.

Map created by Andy Arthur on 10/3/2025 in QGIS 3.44.3-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
