

The **Goodnow Mountain** trail in Newcomb, New York, is a moderate 4-mile round-trip hike with a 1,075-foot elevation gain. The trail passes an old horse barn and boardwalks. A final steep section leads to a restored 60-foot fire tower, offering panoramic views of the Adirondack High Peaks and Rich Lake.

Map created by Andy Arthur on 10/22/2025 in QGIS 3.44.3-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at [andyarthur.org](http://andyarthur.org).
