

Leonard Hill State Forest is a 1,500 acre state forest in Broome Center with an old abandoned firetower near the highest point. The fire tower has the bottom steps removed, however there is a maintained scenic vista to points west including the Upper Blenheim Reservoir, Mount Usyathana, Burnt-Rossman Hills and several other mountains around Roxbury.

Map created by Andy Arthur on 6/30/2025 in QGIS 3.34.15-Prizren. Contains US Forest Service Base Map, NYS DEC data with additional campsites added by Andy. More maps at andyarthur.org.
