

**Burnt Knob, Acra Point, Batavia Kill Loop.** Thinking Searching A popular loop hike in the Northern Catskills connects the Batavia Kill Trail , Burnt Knob , and Acra Point , providing views of the Blackhead Mountain range, Windham Mountain, and the Batavia Kill Valley, with potential glimpses of Albany. The 1-mile Burnt-Knob Trail involves a steady ascent, while other trail sections are flatter or descend back to the starting point. The route features open overlooks and wooded areas.

Map created by Andy Arthur on 1/8/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at [andyarthur.org](http://andyarthur.org).
