

Tenant Creek Falls. One mile from the Tenant Creek Falls parking area is seasonal-use only (barricaded). From there, follow a trail up and over a ridge to Lower (Main) Tenant Creek Falls. You can then follow the trail another mile in the gorge to the Upper Falls, at which the trail eventually winds back to a private right of way.

Map created by Andy Arthur on 1/8/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
