

Located south of NY 165 in rural Otsego County, the 1,749-acre **Bear Swamp State Forest** features a remote, hilly landscape. Its centerpiece, Bear Swamp Pond, is a popular fishing spot. This undeveloped forest lacks official campsites or trails, offering only a single path leading to the water.

Map created by Andy Arthur on 1/13/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
