

Dunning Pond Trail (Unmaintained). This 4.5 mile old woods road and abandoned snowmobile trail starts from parking area off NY 30 just south of pull-off before NY 8 splits off. The trail is unmaintained but easy to follow old Woods Road for about 3 miles until it crosses the Dunning Creek where it becomes challenging to follow the old woods road and requires portaging of the creek.

Map created by Andy Arthur on 1/4/2026 in QGIS 3.44.6-Solothurn. Contains NYS GIS and DEC data with additional campsites added by Andy. More maps at andyarthur.org.
